On behalf of the American Lung Association, I would like to invite you and the Arlington Heights Bicycle Association to join us at our 35th Annual Fight For Air Ride! This event is perfect for novice cyclists wanting to experience a multi-day ride or expert cyclists wanting to combine a weekend getaway with cycling through Crystal Lake, IL to Lake Geneva, WI. Join us June 12-14, 2020 for a 2 or 3 day ride with luxury accommodations at the Abbey Resort and Spa in Fontana, WI. Ride for a personal achievement, a new cycling experience or to honor a loved one affected by lung disease. Visit [Lung.org/fightforairride](https://www.lung.org/fightforairride) for more information.

The banner features the American Lung Association logo on the left. The main text reads: "JUNE 12-14, 2020", "CRYSTAL LAKE, IL - LAKE GENEVA, WI", "2 DAYS | 100 MILES", and "3 DAYS | 150 MILES". Below this is a photo of a group of cyclists holding a banner that says "FIGHT FOR AIR RIDE" and "AMERICAN LUNG ASSOCIATION". At the bottom left, it says "Register at: CycleForAir.org". The bottom section lists "SITE SPONSORS" (The Army Resort, McHenry County College) and "BIKE SHOP PARTNERS" (Spokes).

Would there be an opportunity to share additional information about this event at an upcoming Arlington Heights Bicycle Association meeting? Please feel free to respond to this email or give me a call for more information 312-940-6992.

Thank you,

Deena
