This is the fifth in a set of periodic email messages to discuss the CycleArlington.com website changes.

1. The font used for text on some pages has changed as the previous font was not easily readable on an iPhone or iPad. We have tested using Windows 10 and Windows 7; Chrome and Internet Explorer; iPhone and Android. If you find portions of the website to be unusable due to the fonts (or any other reason) please let me know.
2. Registration for the Arlington 500 is available via Active.com and Paypal and via paper/US Mail
3. Membership renewals are available via Active.com and Paypal and via paper/US Mail
4. Dates for the Bike Swap, Arlington 500, and Ride of Silence have been updated for 2019
5. Spring 2019 Newsletter is available
6. McHenry County Bike Club has eliminated the Udder Century so it has been removed
7. Out of Town Rides have been updated for 2019
8. New Member Welcome section added for use by the membership chair which gives new members a place to start learning about our club
9. Weekly news email will resume April 1
10. Dates for our major events have been added to the calendar

If you find any typos, grammar errors, confusing content, or erroneous content, please let me know.
