

[Arlington Heights Bicycle Club Jersey Information – UPDATED 22-Jan 10](#)

We are happy to announce that we have selected Hincapie Sportswear as our jersey supplier. Their custom products line includes professional quality jerseys which are made to fit well and last long. The custom jerseys include the following features:

- Full length hidden zipper
- 3 back pockets
- Hincapie Quadretto™ fabric, with SmartDry® technology
- Sun Smart fibers produce 30+ UPF, blocking UVA and UVB
- Comfort Collar
- Hincapie gel-gripper™ elastic waist (men's version only)

Jersey Styles and Cuts

- Jerseys are available in both women's and men's specific patterns
- Jerseys are being offered in two styles:
 - Short-sleeve and
 - Sleeveless (Note, a minimum order of at least 10 sleeveless jerseys is required)
- Jerseys are offered in two cuts:
 - Race Cut – slim athletic fit for the competitive cyclist
 - Club Cut – slightly relaxed fit for any cycling enthusiast

Jersey Cost

The Club subsidized price for 2010 paid AHBC members will be \$37 each for both short-sleeve and sleeveless styles. The subsidized price is limited to two jerseys per individual member. For households with more than one member, each member is entitled to two subsidized jerseys. Members (and non-members) can purchase additional jerseys for the non-subsidized price of \$65 each.

The generous Club subsidy is made possible by the member volunteer work at AHBC events such as the Bike Swap and Arlington 500 which help the Club raise money while supporting safe bicycling for our surrounding Communities.

Jersey Fitting

We will have Hincapie Jerseys available for fitting at the January 27th Club meeting at Recreation Park at 6:30 to 7:30pm prior to our regular meeting. If you are interested, we urge you to come out to see firsthand the jersey quality and try on the different sizes and cuts prior to ordering. The jersey fit kit must be returned shortly thereafter so don't miss this meeting.

Final Words

It has been several years since the Arlington Heights Bicycle Club last offered jerseys for sale and who knows how long it will be before we will offer them again. That is one reason we selected a higher quality jersey...we want them to fit well and last a long time.

If you are interested in purchasing an AHBC jersey, now is the time. Show off your Club spirit. We expect to reach an order size of 50-jerseys (total short and sleeveless) so we need you to commit now so that we can get the desired pricing. Remember, it will likely be several years before we offer Club Jerseys again.

Arlington Heights Bicycle Club Jersey Information – UPDATED 22-Jan 10

Frequently Asked Questions																																																							
Who was on the Jersey Committee?	Laurie Larson led the committee. The other committee member was Ford Sakata. Our designer was Tom Wilson.																																																						
Tell me about the Jersey design Note: the Jersey design has been updated to include the Club name on the sleeves of the short-sleeve jersey.	The winning jersey design was created for us by Tom Wilson. It features our long time logo of two ascending cyclists (although the lead cyclist now has a pony tail) and our mantra: <i>Live to Ride, Ride to Live</i> . We picked a conservative design with bright colors. According to Hincapie Sportswear, the colors will be more vibrant in the actual jersey than pictured on the drawings.																																																						
What was the result of the member voting for the Jersey design?	We are happy to report that membership voting resulted in a final tally of 34 votes FOR the design and only 1 vote AGAINST the design.																																																						
Will we be able to see the Jerseys before ordering?	Yes and No. You will be able to see the same Hincapie custom Jerseys that we will be ordering but not in the AHBC design. We think you will be happy with the quality of the jersey. We especially love the full length hidden zipper. No more pulling jerseys over your head.																																																						
When will fitting take place?	We will have Hincapie Jerseys available for fitting on January 27 th Club at Recreation Park 6:30 to 7:30pm prior to our regular meeting. Since the Jerseys will be available in both the Race and Club cuts, we recommend that you try the jerseys on so that you order the right size.																																																						
What are the actual sizes of the Jerseys?	The sizing for the Women's and Men's Club and Race Cut Jerseys follows.

How do I order?	Just fill out the form which will be available at the Club fitting and via email and submit it with payment before the due date.
When must orders be placed?	All orders with payment must be received by Ford Sakata by Sunday, February 7, 2010. Orders received after that time will be returned.
When is payment due?	Payment must accompany the order. Make your check payable to the <i>Arlington Heights Bicycle Association</i> .
Will there be another order at a later date?	It is very unlikely because it will be cost prohibitive. A minimum order of 10-pieces is required at an average cost of \$18/jersey more than our target 50-piece quantity price. This is the reason why years pass between Club jersey orders.
When will the jerseys arrive?	According to Hincapie Sportswear, delivery is 12-weeks from the time they receive our order so we expect deliver in early to mid May. Members will be contacted when they arrive.
