What is the Pumpkinvine Bike Ride?

Saturday, June 15, 2019

Help us celebrate our 20th annual ride while experiencing 0.9 mile of newly built trail. Enjoy the 16-mile Pumpkinvine Nature Trail passing through farm fields, flower gardens and small towns. Ride on county roads past Amish farms and workshops. Pedal beside horses and buggies past sheep, cattle and newborn foals in summer pastures. Generous SAGs at Middlebury and Shipshewana serve drinks, fruit, energy foods and cold cut sandwiches. End your ride with the usual pie and ice cream. Children are welcome.

Profits from our ride are used to build and maintain the Pumpkinvine Nature Trail. We appreciate donations to our project. Consider becoming a member of the Friends of the Pumpkinvine Nature Trail when you register online at: ride.pumpkinvine.org.
